Career History

Store Assistant, ALDI

2021 – 2024

Skills

- Good teamwork with colleagues working to strict deadlines
- Clear communication with team members and customers when required
- Dealt and solved customer queries and excellent customer service

Responsibilities

- Put out warehouse stock hourly, assuring shelves were stocked up correctly.
- Serving customers on tills efficiently and accurately.
- Ensure the store was always tidy and presented well for browsing customers.

Food Runner, Ego's Mediterranean Bar and Restaurant

2020- 2021

Responsibilities

- Ensured there were sufficient levels of condiments for diners.
- Served diners their orders quickly and efficiently.

Interests

In my free time I follow the football and formula 1 seasons closely with a slight bias towards Everton and Mercedes.
